## Online Employment Verification System

---

June 18, 2007

To: University of Illinois Faculty and Staff  
From: University Human Resources  
Re: Online Employment Verification System

Are you applying for a mortgage or looking to rent a new apartment? Remember, your lender or housing manager must access your University of Illinois employment verification information using the University of Illinois online Employment Verification System.

By using the Employment Verification System, vendors such as banks, mortgage lenders, rental agencies, and government-approved housing management firms can have access to your employment verification information almost immediately, which means they can process your loan application or housing request much faster!

Follow these simple steps:

1. Access NESSIE at <http://nessie.uihr.uillinois.edu/> and select the "Personal Info" tab.
2. Click the "Employment Verification System (EVS)" link located in the middle of the page.
3. Click the CONTINUE button to login using your University NetID and Password. You will also be asked to provide your NESSIE PIN for security purposes.
4. Select "Establish a Vendor Access Number" and follow the on-screen instructions. You may create up to five Vendor Access Numbers (VANs).
5. Determine a level of authorization for each VAN: You decide how much information the vendor may access - "Employment Verification Only" or "Employment and Earnings Verification".
6. Provide your bank, lender, or housing manager with the VAN you created (must be used within 30 days) and your Social Security Number.
7. The lender can then access your Employment Verification online at <https://hrnet.uihr.uillinois.edu/tiger/>.

All current University employees must use the online Employment Verification System. Using the online system eliminates the longer processing time associated with paper or phone requests, resulting in better service to you.

Send email to [uihr@uillinois.edu](mailto:uihr@uillinois.edu) for assistance.

*Leave*

The Fair Labor Standards Act (FLSA) establishes standards for such items as minimum wage and overtime pay for full-time and part-time employees. All exempt Academic and Civil Service employees who are not eligible for overtime should report absences in half- and full-day increments only. Absences in increments less than half- or full-days should not be charged against vacation or sick leave balances.

- The half-day/full-day exempt Academic reporting policy takes effect August 16, 2006.
- The half-day/full-day exempt Civil Service reporting policy takes effect August 27, 2006.

Exempt employees, regardless of their employee group, are expected to be available to fulfill their professional responsibilities, which can be beyond the normal University workweek. As the focus is on fulfillment of duties, rather than tracking hours worked, exempt employees are also accorded occasional flexibility. Unit processes and guidelines for requesting and approving absences must be followed.

**Questions regarding Exempt leave reporting?**

Academic leave reporting - contact your campus Academic Human Resources office.

Civil Service leave reporting - contact your campus Human Resources office for Civil Service staff.

**Reporting Absences for Exempt Employees**

Question	Answer
<b>How do I report my absences if I am an Exempt employee?</b>	Exempt staff who are not eligible for overtime should report absences in half-day and full-day increments only (i.e. 4 and 8 hours for full-time Academic employees; 3.75 and 7.5 hours for 37.5 hour/week full-time Civil Service employees). If you are absent for less than a half-day, leave benefits should not be used for that absence. However, you must still follow your unit procedures for requesting and using leave benefits.
<b>Who should follow the Exempt reporting procedures?</b>	The following employee groups should follow the exempt reporting procedures: <ul style="list-style-type: none"> <li>• Exempt Civil Service employees who are not eligible for overtime</li> <li>• Faculty</li> <li>• Academic Professionals who meet the \$455 weekly salary minimum</li> <li>• Teaching Assistants (TA)</li> <li>• Research Assistants (RA)</li> <li>• Para-Professional Assistants (PGA)</li> <li>• Post-Doc Research Associates/Interns</li> </ul>
<b>Should I accumulate or bundle my time for multiple day absences to reach the half-day or full-day increments?</b>	No, you should only report usage against your leave balances for half-day or full-day absences for a single day.
<b>If I need to be out for a period that is less than a half-day or full-day, can my unit require that I use my leave benefits?</b>	No, your unit cannot require that you use half-day or full-day leave benefits if you do not need to be out for that duration.

## Reporting Absences for Exempt Employees

Question	Answer
<b>If I am a full-time employee and am out for 2 hours in the morning and 2 hours in the afternoon, how do I count my absences?</b>	For 8 hour/day employees, this would be counted as a half-day/4-hour absence. For 7.5 hour/day employees, this would be counted as a half-day/3.75-hour absence.
<b>If I am a full-time employee, how do I report an absence that is 5, 6, or 7 hours?</b>	40 hour/week, full-time employees should report absences in 4 or 8 hour increments only; therefore, you would report an absence of 5, 6, or 7 hours as a 4 hour absence.  37.5 hour/week, full-time employees should report absences in 3.75 or 7.5 hour increments only; therefore, you would report an absence of 5, 6, or 7 hours as a 3.75 hour absence.
<b>How should managers address issues with employees who are consistently absent in less than half-day or full-day increments?</b>	Unit managers/supervisors have the right to address performance issues related to attendance if work effort or commitment is unsatisfactory, which can ultimately lead to discipline and/or termination. Contact the appropriate campus HR office for assistance in dealing with these situations.

**Academic Vacation Sick Leave System (AVSL)**  
Academic Vacation Sick Leave System (AVSL) is used to report and track vacation, sick, and other types of leave. (See Leave Types and Status Codes for more information.)

The academic year, which runs from August 15 to August 14 of the following year, consists of the 12 calendar months: Aug 16-Sep 15 (vacation), Sep 16-Oct 15 (vacation), Oct 16-Nov 15 (vacation), Nov 16-Dec 15 (vacation), Dec 16-Jan 15 (vacation), Jan 16-Feb 15 (vacation), Feb 16-Mar 15 (vacation), Mar 16-Apr 15 (vacation), Apr 16-May 15 (vacation), May 16-Jun 15 (vacation), Jun 16-Jul 15 (vacation), Jul 16-Aug 15 (vacation).

Employees may record leave taken on a daily basis. The schedule determined by each individual unit, submit the month(s) for manager approval.

Managers review submitted calendars and either approve or deny them. They have the responsibility to ensure that the recorded leave is correct and does not violate University policies.

At all times staff can see totals and balances showing leave taken as well as projected year-end balances. Totals will be shown in both hours and days, with days calculated by dividing the hours by an employee's full day, based on their percent time. (i.e. A full day is 8 hours for 100% time employees, 4 hours for 50% time employees, etc.) Due to the possibility of rounding errors inherent in any calculation, the hours figure will be considered the official, accurate record of leave.

## Leave Type: **University Family Medical Leave (UFML) for Registered Same-Sex Domestic Partners**

**Definition:** University Family Medical Leave (UFML) is designed to help employees balance the demands of the workplace with the needs of families and to promote stability and economic security of families by offering leave to care for a registered same-sex domestic partner.

UFML provides employees with unpaid leave (accrued benefits may be used to remain in paid status) for each consecutive 12-month period for which eligibility criteria have been met for the following events:

- Serious health condition of a registered same-sex domestic partner.
- Qualifying exigency of a registered, same-sex domestic partner.
- Care of a registered same-sex domestic partner who is a covered servicemember with a serious injury or illness.

**Eligibility:** Individuals who have been employed by the University for at least 12 months and who have performed at least 1,250 hours of service during the previous 12-month period, are eligible for unpaid University Family Medical Leave (UFML) during each consecutive twelve-month period for which eligibility criteria have been met.

**Length of Leave:** Employees are eligible for up to 12 workweeks (up to 26 workweeks to care for a covered servicemember) of unpaid family medical leave during each consecutive twelve-month period for which eligibility criteria have been met.

**Benefits Continuation:** While employees are on an eligible University Family Medical Leave (UFML), State benefits shall be continued by the University at the same level that coverage would have been provided if the employee had remained in continuous employment. Employees on a paid UFML will continue to have their premium portion deducted from their paycheck.

**Compensation:** Employees have the option to take University Family Medical Leave with or without pay. To continue in pay status, employees must use accrued sick or vacation leave in accordance with University leave provisions. Accrued leave used will be counted toward the UFML entitlement. Any portion of the UFML period for which accrued leave is not charged shall be without pay.

**Policies:** [https://nessie.uhr.uillinois.edu/cf/leave/index.cfm?Item\\_id=4258](https://nessie.uhr.uillinois.edu/cf/leave/index.cfm?Item_id=4258)

**Notes:**

## Leave Type: **Vacation**

**Definition:** Eligible employees are granted vacation leave, a pre-approved paid absence from work, to be used for personal and vacation reasons. Leave for vacation purposes will be arranged with due regard for operating needs of the University and to accommodate the convenience of the employee.

**Eligibility:** Civil Service employees in a trainee, apprentice, learner, provisional, and status appointment are eligible.

Academic employees must have a 12-month appointment to be eligible for vacation. Those appointed for an academic year (9 months) or 10 months paid over 12 months are not eligible for vacation leave.

**Length of Leave:** Civil Service employees may earn up to 28 days of vacation leave per year, depending on length of service. Please see Civil Service Accrual Tables. Employees may accumulate an amount of leave equal to that earned in two service years at the employee's current earnings rate, but upon reaching this accumulation will cease to earn leave except when the accumulation is reduced. Vacation accruals in a pay period are added to an employee's balance first and then hours used are deducted from that balance. Therefore, it is imperative that employee's manage their vacation use in order to maximize their accruals. If you are at or close to reaching your maximum limit, notify your supervisor so that you can discuss arrangements to reduce your balance so that you may continue accruing leave time.

Academic employees receive 24 workdays per year at the percentage of their appointment. New employees starting after the beginning of the academic year receive a prorated share. A maximum accumulation of 48 days may be carried over from one appointment year to the next.

---

Benefits Continuation: Employees continue to receive the same State and University benefits as when actively working. All State-paid contributions continue.

---

Compensation: -Civil Service Staff-  
Employees are paid for any vacation leave accumulated and not used as of the employee's last scheduled workday. If an employee accepts employment at another state agency or institution, under certain conditions, accrued vacation leave may be transferred, subject to the State Universities Civil Service System.

-Academic Staff-  
Accumulated, unused vacation time, up to a maximum of 48 days, is paid out at the time of retirement or separation. Vacation payout may exceed 48 days if the vacation leave balance in excess of 48 days is due to either: (a) an employee group change from Civil Service to Academic; or (b) change to the employee's full-time equivalency (FTE) from full-time to part-time. If the employee leaves before the termination of his/her contract, the vacation payout will be prorated for the portion of the year worked.

## Leave Type: **Victims Economic Security and Safety Leave**

Definition: The Victims Economic Security and Safety Act (VESSA), enacted in 2003, is designed to promote the State's interest in reducing domestic violence, dating violence, sexual assault, and stalking by enabling victims of domestic or sexual violence to maintain the financial independence necessary to leave abusive situations, achieve safety, and minimize the physical and emotional injuries from domestic or sexual violence, and to reduce the devastating economic consequences of domestic or sexual violence to employees. It gives employees the right to a 12-week paid or unpaid leave for each consecutive 12-month period for which eligibility criteria have been met.

Employees are entitled, on return from leave, to be restored to the position held when the leave commenced or to an equivalent position with equal pay, benefits, and other conditions of employment.

---

Eligibility: All employees at the University are eligible for up to 12 weeks of VESSA leave in a 12-month period for the following reasons.

- To seek medical help and recover from physical or psychological injuries caused by domestic or sexual violence to the employee or employee's family or household member.
  - To obtain victim's services, psychological or other counseling, and legal assistance or remedies, including preparing for or participating in any civil or criminal legal proceeding related to or derived from domestic or sexual violence.
  - To participate in safety planning, temporarily or permanently relocating, or taking other actions to increase health and safety, or to ensure economic safety of covered persons.
- 

Length of Leave: Employees are entitled up to 12 workweeks of paid and/or unpaid VESSA leave during each consecutive twelve-month period for which eligibility criteria have been met. The initial 12-month period is measured forward from the date the employee first takes VESSA leave. The next 12-month period begins the first time VESSA leave is taken after completion of any previous 12-month period.

This Act does not create a right for the employee to take a leave that exceeds the leave time allowed under, or in addition to, the leave time permitted by the Family and Medical Leave Act (FMLA). For employees on VESSA leave who are also eligible for FMLA leave, VESSA leave time is not in addition to the 12-week FMLA entitlement when the reason for VESSA leave also qualifies under FMLA. In this instance, both the VESSA and FMLA entitlement would be depleted. An employee who may have exhausted all available leave under FMLA, for a purpose other than that which is available under VESSA, remains eligible for leave under VESSA.

---

Benefits Continuation: State benefits continue at the same level of coverage while employees are on VESSA leave had the employees remained in continuous employment.

Employees on a paid VESSA leave will continue to have their premium portion deducted from their paycheck. Employees on unpaid VESSA leave will be billed for their premium portion. If required payments are not made by the employee during the leave period, insurance coverage may be discontinued and the employee will be offered continuation of coverage through COBRA.

The University may recover any premiums paid for maintaining coverage for employees if they fail to return from VESSA leave for a reason other than continuous, recurrence, or onset of domestic or sexual violence or other circumstances beyond their control. The University may require certification of such conditions.

University employees may continue insurance coverage in excess of the University's contribution by contacting the Benefits Center within thirty (30) days following the last day of paid employment to make arrangements for premium payments.

---

Compensation: Employees have the option to take VESSA leave with or without pay. To continue in pay status, employees must use accrued sick or vacation leave in accordance with University leave provisions.

Accrued leave used will be counted toward the 12-week VESSA entitlement. If applicable, accrued leave used will also be counted toward the

12-week FMLA entitlement. Any portion of the 12-week period for which accrued leave is not charged shall be without pay.

For care of a family member with a serious health condition or injury or for the employee's serious health condition or injury, leave is provided under the terms and conditions of University sick leave policies. Sick leave used for this purpose will be counted toward the 12-week entitlement (or any part thereof).

---

**Length of Leave:** Eligible employees are encouraged to vote during their non-working hours. However, if they are unable to do so based on the working hours criteria described above, they may be granted up to 2 hours paid time to vote on the day of the election between the time of opening and closing of the polls. Your supervisor/department may specify the hours during which you may absent yourself to vote.

Your supervisor/department may specify the hours during which you may absent yourself to vote.

---

**Compensation:** Civil Service non-exempt and other hourly employees should report time to vote as an "Excused Absence W/O Pay". If supervisory approval has been granted, an employee may substitute accrued vacation or personal leave for this unpaid time.

## Leave Type: **Workers Compensation**

**Definition:** Workers' Compensation insurance includes four types of benefits – disability (loss of income) benefits, medical care benefits, survivor (death) benefits, and rehabilitation benefits. In some instances there may also be some type of permanent disability payment.

**Eligibility:** Any University employee with an injury arising out of and in the course and scope of their employment duties is eligible for Workers' Compensation benefits.  
To report work-related incidents:

1. Immediately contact your supervisor to report the incident
2. Complete a University of Illinois Employee's Injury Report Form (<http://www.obfs.uillinois.edu/risk/reporting.shtml>) and Family and Medical Leave Application ([https://nessie.uihr.uillinois.edu/cf/index.cfm?item\\_id=161](https://nessie.uihr.uillinois.edu/cf/index.cfm?item_id=161)), if an absence from work occurs.
3. Promptly seek medical care if appropriate

**Length of Leave:** The length of workers compensation leave will depend on the injury and ability to perform the duties and responsibilities of the job.

**Benefits Continuation:** Employees receiving Occupational Disability through Workers' Compensation are eligible to continue State and optional University benefits and receive the state-paid contribution. There is no limitation to the number of months in which an employee may continue benefits. Part-time employees who are placed on an Occupational Disability leave of absence may elect to continue their same group insurance coverage while on the leave. Part-time employees electing to remain in the program are not responsible for paying the part-time percentage of premium. Note: Workers' Compensation only pays for medical expenses associated with the job-related injury/illness. Employees on an Occupational Disability leave must continue to pay insurance premiums to ensure non-work related illnesses and injuries of the employee, as well as dependent injuries and illnesses, are covered.

**Compensation:** While on Workers Compensation, employees receive 66.6% of their average salary over the last 52 week period. The maximum that may be paid each week is updated on an annual basis. The first three days of a work related absence are not covered by workers compensation; the employee must use their accrued leave benefits to be paid for those days. After a cumulative 14 days of absence related to the incident, workers compensation will cover the initial three days and the employee's leave balances will be restored.

Employees who have lost time from work in order to recover from the injury or disease may be entitled to receive temporary total disability benefits until they are able to return to work.

**Policies:** <http://www.obfs.uillinois.edu/risk/rules.shtml>

Claims filed by employees of the University of Illinois will be adjusted according to the Workers' Compensation Act of the State of Illinois (<http://www.state.il.us/agency/iic/>).

## **Event: Care of a Covered Servicemember with a Serious Injury or Illness**

**Definition:** Family and Medical Leave is available to allow an employee who is a family member (spouse, son or daughter, parent, or next of kin) of a covered servicemember to take leave to care for a covered servicemember with a serious illness or injury.

**Eligibility:** An employee with 12 months of service who has performed at least 1250 hours of service during the previous 12-month period prior to the Family and Medical Leave (FML) event and who is a family member (spouse, son or daughter, parent, or next of kin) of a covered servicemember, is eligible to take leave to care for a covered servicemember with a serious illness or injury for up to 26 weeks of FML in a 12-month period.

A "serious illness or injury" is defined as "an injury or illness incurred by a covered servicemember: (a) in the line of duty on active duty; and (b) that may render the servicemember medically unfit to perform the duties of the servicemember's office, grade, rank, or rating."

**Length of Leave:** Employees are entitled up to 26 workweeks of unpaid family and medical leave during each consecutive twelve-month period for which eligibility criteria have been met. The initial 12-month period is measured forward from the date the employee first takes FMLA leave. The next 12-month period begins the first time FMLA leave is taken after completion of any previous 12-month period.

**Benefits Continuation:** State benefits continue at the same level of coverage while employees are on an eligible family and medical leave (FML) had the employees remained in continuous employment.

University employees may continue insurance coverage in excess of the University's contribution by contacting the Benefit's Center within thirty (30) days following the last day of paid employment to make arrangements for premium payments.

**Compensation:** Employees have the option to take family and medical leave with or without pay. To continue in pay status, employees must use accrued sick or vacation leave in accordance with University leave provisions.

Accrued leave used will be counted toward the 26-week FMLA entitlement. Any portion of the 26-week period for which accrued leave is not charged shall be without pay.
