Important: Out-Of-Network

• You are encouraged to use in-network providers to receive the best health plan benefit
• Using out-of-network providers will significantly increase your out-of-pocket medical costs
• Remember, out-of-network services are reimbursed at a much lower rate in the QCHP and OAP’s
• If you are referred to, or choose to see an out-of-network provider, you should contact your health plan, prior to receiving services, to ensure the services meet medical necessity criteria, to receive authorization, and to request a cost estimate
• View NESSIE or www.MyBenefits.Illinois.gov for further information
Reminder: Out-of-network

Maximum Reimbursable Charge (MRC) – the maximum amount the carrier will pay for an out-of-network provider for billed services

- Plan Participant will be responsible for anything above the MRC
- Will not be applied towards the plan year deductible or the out-of-pocket maximum

Maximum Allowable Charge (MAC) – The amount that the carrier will pay the provider and consider the service paid in full.

MAC/MRC – Rates are determined by Medicare and the locality. They are routinely updated.

New Hire Enrollment

Enrollment - IMPORTANT

- **New Hire:** Complete and submit the Employee Information Form (EIF) in UI New Hire, if you have not already done so.

- **Current Employee now eligible for benefits:** Review and submit your demographic information in UI New Hire, if you have not already done so. This review is completed when you first log in to UI New Hire.

- Then, your bio-demographic information will be sent to the State Group Insurance System.

- Within approximately 72 hours of that submittal, MyBenefits will mail an Employee Identification Number along with the link to MyBenefits so you are able to make your insurance elections.

Enrollment Tips

When and how will current employees now eligible for benefits receive their CMS-issued Employee ID Number (EIN)?

- Current employees now eligible for benefits are strongly encouraged to elect to receive email communications about state benefits by checking the box on the first page of the Employee Information Form (EIF) in UI New Hire (current employees elect this option during the demographic information review)

- If you do not select email communications, information will be sent via postal mail and this will delay your access to MyBenefits to make your benefit elections
  - If by email, you will receive notification in 1 business day
  - If by postal mail, turnaround time is dependent on the postal service
Enrollment Tips

**Important**

- Once you click “Submit/Finalize” your benefit elections are final and unchangeable until either the next Benefit Choice period in May, or a qualifying event occurs.

- You will not be allowed to revise your State benefit elections, even if you are still within the 30 calendar day enrollment period.
